DESCRIPTION: Suri Heather is an extension of our popular Prima Alpaca Suri grouping, which now includes this seductive palette of natural alpaca hues. Each Suri Heather fabric showcases a variation of dark and light fibers, which adds depth and movement, making each yard subtly distinctive and special. The touchable plush surface has a subtle luster and works well for design schemes from traditional to contemporary.

Backing recommended for upholstery applications.

Prima Alpaca is a natural fiber with inherent variations. These subtle differences are not flaws but the essence of its natural beauty.
